

Vaccinationshistorik i Svevac

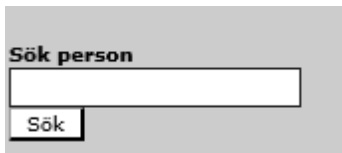

Här har du tillgång till tidigare inlagda vaccinationer i Svevac. Man får inte ordinera eller ändra några vaccinationer från och med den 29 oktober i Svevac, detta görs i MittVaccin.

1. Logga in i Svevac under övriga källor i patientens journal:

The screenshot shows a software interface with a list of medical conditions on the left and a menu of data sources on the right. The 'Övriga Källor' (Other Sources) menu is open, and 'Svevac' is highlighted in blue. A red arrow points from the text above to this menu item.

2. Sök upp valt personnummer:

The screenshot shows a search interface with the title 'Sök person'. Below the title is a text input field and a button labeled 'Sök'.
